

Adam and Eve

This is a duo cocktail that can be served side-by-side. It is a great romantic poolside drink.

- 4 Scoops lemon or passion fruit sorbet, softened
- 3 Ounces citrus vodka
- 1 Ounce pomegranate juice
- 1 Cup Ballatore Gran Spumante
- Long mint sprigs for garnish

Place 2 scoops of softened sorbet in each glass. (A tall pilsner glass works beautifully.) Add 1 ½ ounces of citrus vodka to each glass. Add the pomegranate juice to just one of the glasses. Top off both glasses with Ballatore Gran Spumante and garnish with a long mint sprig. Serve with a spoon and straw.
